Billings**

**Billings Hotel & Convention Center
1223 Mallowney Lane**

SMALL SYSTEM OPERATOR TRAINING:
**Achieve & Maintain
 Compliance with the SDWA**

October 18, 2016

Location: Billings
 Billings Hotel & Convention Center
 1223 Mullowney Lane

Fee: None

CECs: 0.825 Water

Who Should Attend:

The target audiences for this course are operators, decision makers, engineers, and managers of small water and distribution systems in Montana including tribal and non-tribal small community water systems, non-transient non-community water systems, and transient non-community water systems. If you operate multiple systems this may apply to more than one of your systems.

Agenda:

7:30 - 8:00 am	Registration
8:00 - 8:30	Introductions, Overview & Objectives, & Pre-Test
8:30 - 10:00	Regulation Overview
10:00 - 10:15	BREAK
10:15 - 10:45	Regulation Overview Continued
10:45 - 11:45	Sample Collection
11:45 - 12:45 pm	LUNCH (On Your Own)
12:45 - 1:30	Distribution System Water Quality
1:30 - 3:00	Nitrates/Nitrites
3:00 - 3:15	BREAK
3:15 - 4:00	Main Breaks and Cross Connections
4:00 - 5:00	DBP Reduction Treatment Strategies
5:00 - 5:15	Post-Test, Evals, & CEC Forms
5:15	Adjourn

What: Gain an understanding of existing and upcoming drinking water regulations such as the TCR, RTRC, Groundwater Rule, SWTR, Stage 2 DBPR, and LCR. Come away with knowledge on managing distribution system operations to prevent microbial or chemical contamination, compliance monitoring schedules, methods, and other requirements, and an understanding of the importance of optimizing treatment plant operations in enhancing distribution system water quality.

REGISTRATION FORM

Billings - October 18, 2016

PREREGISTRATION: Even though this course is free we still **require** that you preregister for the course so that we can plan accordingly for handouts and refreshments. For more information contact METC at (406) 265-3763.
