

Optimizing Performance & Accessing Funding to Improve Small Systems

**Great Falls, Heritage Inn
July 13th, 2020**

Meet Your Speaker(s):

Diane Monahan:

Diane Monahan has been a Wyoming water / wastewater operator for over thirty years and currently conducts training for the American Water Works Association. She holds a Bachelor of Science Degree from Northern Michigan University and maintains four Wyoming DEQ Licenses: IV Water, IV Wastewater, II Distribution, and 1 Collection.

In addition to operator experience she has investigation skills as a result of conducting on-site inspection of water and wastewater treatment facilities throughout the Region. She is a former Adjunct Professor for Casper College's Water Science Program, past Chair of WYOWARN and served as a Board member for the Rocky Mtn Section of AWWA.

Also Representatives from various funding agencies in Montana including:

- United State Department of Agriculture (USDA)
- Montana Department of Natural Resources and Conservation (DNRC)
- Montana Department of Commerce (DOC)
- Montana Department of Environmental Quality (DEQ)
- Water, Wastewater and Solid Waste Action Coordinating Team (W2ASACT)

July 1, 2020!

American Water Works Association

July 13, 2020

Location: Great Falls
Heritage Inn (room to be determined)
1700 Fox Farm Rd.

Fee: None (FREE)

CECs: 0.8 "Dual"

Optimizing Performance & Accessing Funding to Improve Small Systems

Montana Section

American Water Works Association

Who Should Attend: The target audience is small, rural systems serving under 10,000 with an emphasis on systems serving under 2,500 including operators, managers, decision makers, and engineers. However, larger systems are also welcome to attend.

What: AWWA has taken the proven self-assessment methodology created by our Partnership for Safe Water and updated it to meet the needs of small systems, focusing on General Management/Administration, Financial Management, Asset Management, Source Protection/Production, and Distribution Systems. Participants in this workshop will learn how to assess their systems and identify areas for improvement, receive follow-up 1:1 technical assistance, and learn about available low-interest funding options.

Agenda:

- 7:30 am Registration
- 8:00 Welcome & Introductions
- 8:15 Introduction to Partnership for Small Systems
- 8:30 Introduction to USDA Loan Program for Small Communities
- 8:45 How to Complete the "Preliminary Assessment" for Small Systems
- 10:15 **BREAK**
- 10:30 Exercise: Identification of Loan Eligible Projects
- 12:00 pm **LUNCH (On Your Own)**
- 1:00 Demonstration & Exercise: How project areas can become a loan application
- 2:30 Water Loss
- 3:00 What is Next After Today's Training?
- 3:15 **BREAK**
- 3:30 Funding Resources from State & Federal agencies in Montana (W2ASACT)
USDA - Water & Environmental Loan & Grant Program & Pre-Development Grants
DOC - CDBG, TSEP, INTERCAP & MT Coal Board Grant Programs
DNRC - Renewable Resource Grants & Loan Program, RDG Project and Planning Grants & Emergency Grant Program
MDEQ - Water & Wastewater State Revolving Fund Loan Program
- 4:45 Summary & Feedback on the Training
- 5:00 Adjourn

REGISTRATION FORM Great Falls - July 13, 2020

PREREGISTRATION: Even though this course is free we still **require** you to preregister for the course by July 1, 2020 so that we can plan accordingly for handouts and refreshments. For more info contact Robin Barnes at 406-546-5496. **You do not need to be a member to attend!**
